CONTRACTOR TO COMPLETE THE FOLLOWING

Must include copies of Contractor's License and Driver's License with Each Application

Federal Employer I.C. Number (contractor only) or reason for exemption _____
 Workmen's Comp. Ins. Carrier (contractor only) or reason for exemption _____
 MESC Employer Number, or reason for exemption _____

AFFIDAVIT OF CONTRACTOR APPLICANT:

I hereby certify that the proposed work is authorized by the owner to make this application as his authorized agent, and we agree to conform to all applicable laws of the state of Michigan. All information submitted on this application is accurate to the best of my knowledge.

Electrical Permits expire after 6 months. If you show progress within that time by getting approval on an inspection the permit may be extended with permission from the Building Department.

"Section 23a of the state construction code act of 1972, 1972 PA s30, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines."

NOTE: No floodlight fixtures are allowed. All exterior light fixtures must be shielded or shine down not out.

Signature of Contractor or Home Owner: _____

Application Date: _____ **print name** _____

Electric Heat: 1 unit = \$16.00; 2 units = \$22.00; 3 units = \$27.00; 4 units = \$31.00;

ATTENTION PROPERTY OWNERS
AND
PLUMBING, HEATING AND ELECTRICAL CONTRACTORS

It is unlawful for a property owner to pull a homeowner's plumbing, heating, or electrical permit and have licensed contractors do the work.

Licensed contractors ***must*** pull their own permits and call for inspections.

Please be advised that if the above statements are not adhered to, then tickets will be issued to the respective parties in violation.

➤ **Work done prior to pulling a permit is subject to double fees.**

WHEN PULLING A PERMIT PLEASE INCLUDE THE FOLLOWING FOR ***EACH APPLICATION:***

1. Include **building permit number** if there is one, jobsite address & job description/items.
2. Enclose a copy of contractor's license every time.
3. Enclose a copy of contractor's driver license every time.
4. Contractor must sign and date application; if an agent is pulling the permit on behalf of the licensed contractor a notarized letter on company letterhead giving permission to the agent must be submitted.
5. Always indicate the number of inspections you need.
6. Each application Must be filled out completely.

We need one copy with the above information for each and every application – filled out in full.

Plumbing, Heating and Electrical permit fees and applications are available on the web at www.highlandtwp.net ; Building permit applications are also on the site.

Have questions? Call (248) 887-3791, ext. #8.

If ALL of the above information is not included, then the application will be returned unprocessed.

**Cordially,
Highland Township Building Department**
